

# ASIC

- **Mixed-signal and RF ASIC development**
- **Wafer production, testing, packaging and logistics.**
- **Specialist in ultra low-power design**

# ShortLink ASIC Services

## ASIC development and production

- **Mixed-signal**
- **Ultra low-power RF**
- **Analog and digital**
- **System-on-Chip (SoC)**

## Advanced development environment

- **Cadence**
- **Tanner**
- **Agilent ADS**
- **Synopsys**
- **Mentor Graphics**

## Complete supplier

- **Specification**
- **Design**
- **Component qualification**
- **Production – fables:** Wafer production, testing, packaging and logistics.

## References

We have vast experience with several market-leading customers from various industry sectors, including:

- Ericsson Mobile Communications
- Ericsson Microwave Systems
- Great Nordic Netcom (GNN)
- Hörnell Elektrooptik
- Sordin
- 3M
- ZMD
- Comfort Audio
- Nilfisk Advance
- StoraEnso
